Naturalization Papers, 1852-1966
Cubic feet: 26

NATURALIZATION RECORDS, 1852-1966. 26 cu. ft. 1

These records are divided into nine sub-series:

1. Declarations of Intention, 1852-1966. Includes two indexes. The first is, for the most part, an update of the second and should be used as the main index. The second index is best used as a cross-check.
2. Oaths, 1882-1962. Includes both oaths and declarations of intention.
3. Journals, 1884-1903. Contains both oaths and declarations of intention.
4. Petition and Record, 1906-1953.
5. Naturalization Certificate Stubs, 1907-1926. County copy of the certificate of citizenship sent to the naturalized citizen.
6. Records of citizenship, 1892-1897. Bound volumes that contain the final acceptance of the petitioner as a citizen.
7. Monthly reports, 1939-1966. Contain total numbers of declarations and petitions filed, and a list of individuals naturalized each month.
8. Log book lists dates, names and addresses, and checks for first and second papers, date naturalized, and comments.
9. The card file is a list by surname of naturalized citizens.

Within each subseries, the material is arranged chronologically.
